Discounts

Our quantity discounts are calculated as follows:

Smartpatch:	Quantity 1	=	UK SRP less 25%
	Quantity 2-4	=	UK SRP less 28%
	Quantity 5+	=	UK SRP less 30%
All other products:	Quantity 1	=	UK SRP less 25%
	Quantity 5-9	=	UK SRP less 28%
	Quantity 10+	=	UK SRP less 30%

Model variants within the same product range may be mixed to obtain quantity discounts e.g. CPT96D25P, CPT96T etc.

Payment

For non-account customers, we require payment with order. Our preferred payment method is by electronic transfer direct to our account. Most UK banks offer this service free of charge either via web access or by phone and payments should now arrive the same day. We can accept payment by PayPal if requested, but a handling charge will be added to cover PayPal's standard merchant charge for receiving a payment. This is currently 20p plus 3.4% of the payment value.

Unfortunately we no longer accept payment by cheque.

Our bank details for international payments are as follows:

Bank:	The Co-operative Bank PLC PO Box 250 Skelmersdale WN8 6WT UK
Account Name:	Signex UK Limited
Account No:	69157114
Sort Code:	08-92-99
BIC/SWIFT Code:	CPBKGB22
IBAN Number:	GB55 CPBK 0892 9969 1571 14

For UK payments only the account name, number and sort code are required.

PLEASE NOTE:

On international payments all charges are for the purchaser's account. In order to prevent a shortfall in payment, please instruct your bank to 'accept all charges' (field 71A must be set to 'OUR') when making payment transfer.

Goods remain the property of Signex until paid for in full.

Ordering

We can accept orders by e-mail telephone or post, but verbal orders must be confirmed in writing before stock can be allocated. Please use our order codes whenever possible and include a contact name and number so that we can contact you in the event of any problems. We can despatch to a different address if specified on the order, but most carriers require a contact name and number they can use in case of any difficulty delivering the consignment. If required, we will confirm the order by sending you a Sales Order Acknowledgement by email. Orders below £50.00 (ex. VAT) are subject to a small order surcharge of £2.50.

Despatch

We aim to keep all items in stock and, whenever possible, goods will be shipped from stock within one working day of receipt of order. Any items that are not in stock will be shipped at the earliest possible opportunity. The despatch date on the Sales Order Acknowledgement is the date by which we estimate the complete order will be despatched. This will normally be no more than seven working days unless we are experiencing supply difficulties. If a part-shipment is required before the despatch date please let us know – we'll do what we can, but all shipments will incur a carriage charge that will be added to the invoice or a separate invoice raised subsequently.

Carriage

We will normally use a carrier of our choice and charge accordingly, but if you'd like to arrange collection, either in person or with a carrier of your choice, please make sure that this is agreed with us prior to placing your order and confirmed on your PO (or the email to which it is attached). Tracking the item and dealing with any shipment issues is the responsibility of the booker so we can only provide tracking information and get involved in resolving carriage problems if our carrier is used.

Prices

The prices payable will be those quoted on our Sales Order Acknowledgement or Pro-forma Invoice. It is the customer's responsibility to ensure that any prices quoted on the purchase order correct. Any wording on the purchase order suggesting that a discrepancy could lead to our invoice being disputed, may delay processing of the order and/or result in credit facilities being withdrawn.

VAT

All prices shown exclude VAT. VAT will be zero rated for customers outside the EC and for VAT-registered EC customers outside the UK, provided that we receive a purchase order bearing the purchaser's VAT registration number.
